## Student Declaration:

This is to declare that this report has been written by me/us. No part of the report is copied from other sources. All information included from other sources have been duly acknowledged. I/We aver that if any part of the report is found to be copied ,I /we are shall take full responsibility for it.

## Table Content:)

- 1.) Introduction
- 2.) Analysis of the project
- 3.) Conclusion

# Introduction:

we have designed a Mathematically operational calculator . We have worked together to design this project . In this project we can perform many tasks like Addition , Subtraction , Multiplication , Division , Sign , Square , Square root , Etc .

## Analysis of the project :

This simple project interface is easily accessible and understandable. This is just basic implementation of the project. If we do this implementation completely this will be useful for many users for their reference in every subject.

## Conclusion:

This kind of project webpage interfaces helps everyone in making their tasks easy . This is simple Calculator which make their time consuming calculation very easy .

Thank you
